Note: All citations should be double spaced and have a hanging indent in a Reference List. A "hanging indent" means that each subsequent line after the first line of your citation should be indented by 0.5 inches. Below is a link to an APA sample paper that contains instructions about how to format a hanging indent in a paper.

Donatien Alphonse François de Sade, best known as the Marquis de Sade, was a French aristocrat, revolutionary and author of philosophical and sadomasochistic novels exploring such controversial subjects as rape, bestiality and necrophilia.His works evidence a philosophical mind advocating a materialist philosophy in which Nature dictates absolute freedom, unrestrained by morality, religion or ...

Marquis de Sade bibliography - Wikipedia
A scanned image of the original printed page (or scanned document, in the case of certain electronic-only volumes) is available for citation by URL. You can find these URLs in the right sidebar of each document, labeled "View Image." For example, the sidebar for document 75 contains links to the images of pages 190, 191, and 192.

Citing the Foreign Relations series - Office of the Historian
The additional parameter title={Whole bibliography} passed inside brackets to the command \printbibliography is the one that changes the title. The bibliography can also be subdivided into sections based on different filters, for instance: print only references from the same author, the same journal or similar title. Below an example.
