Burma A Strategic Perspective

Burma is a minuet dramatizing the “one step forward, two steps backward” description of progress. Even as the administration of President Barack Obama commits itself in principle to reaching out to Burma, events conspire against another effort to coax the junta toward a reasonable, regionally acceptable solution to its hard edge.

Burma in Strategic Perspective: Renewing Discussion of Options

ASEAN has argued that Burma should be integrated into the region and that policies that quarantine it only backfire, since a country that has welcomed isolation cannot be punished by it.

For India, Myanmar is the archway to ASEAN and the far east. With the Chinese causing mischief at its borders, Myanmar has increasing strategic importance for India. The West must join India in its constructive engagement with Myanmar. In the October elections, Aung San Suu Kyi's NLD is expected to win again.

To Escape China, Myanmar Needs the West

Despite these limitations, however, CMEC is not doomed to fail. From a strategic perspective, China's domestic and foreign policy interests tied to Myanmar indicate that China has both the wherewithal and intention to invest the significant energy and policy efforts necessary to ensure CMEC follows the path of Pakistan's CPEC.
