Estimates of numbers taking part in ancient battles are notoriously unreliable, but Polybius records that the Celtic force comprised 50,000 infantry and 20,000 horse and chariots. Of these about 40,000 were slain and 10,000 taken prisoner. It was a defeat on a grand scale: thereafter Celtic attacks from the north were much reduced.

Julius Caesar, acquired status above that of freeman. Warrior-princes rode to battle in chariots, collected the heads of enemies as trophies, performed feats of skill and engaged continually in individual duels as well as skirmishes. There are many bronze figurines to show us what Celtic warriors looked like in action.

The Battle Axe was a crucial instrument since the Stone Age. Viking warriors are thought to be the first Europeans to make a large Battle Axe just for war. Since swords were not effectively useful against plate armor, maces, axes and war hammers were preferred by foot soldiers during the
