Armchair historians often generalize that during the American Civil War, while the Union held a clear advantage in material, the Confederacy could field superior commanders. That may have been true in the east (the worst of the Union generals in that theater rates his own entry on this list), but in the west it was a much different affair.

A Boyar Wedding Feast is an oil-on-canvas painting created by Russian artist Konstantin Makovsky in 1883. The boyars were members of the highest rank of the feudal aristocracy of Russia in the 16th and 17th centuries, and a wedding was an important social event. In this painting, the guests are depicted toasting a newlywed couple. They stand at the head of the table, where the groom sees his ...
