Nuffield 10/60 Tractor. MOV - YouTube

Hi. I have a Nuffield 1060. My first tractor. Noticed a problem with the engine reving uncontrollably while driving, seem to stick on very high revs, mainly down hill. The only way to get it back to normal revs is to break or to move the throttle back n forth. Any ideas how this can be fixed? Cheers

Nuffield - Quality Tractor Parts LTD.

The Nuffield tractor story started in early 1945. The British government still reeling from the effects of the war on the economy, approached the Nuffield organization to see if they would design and build an "ALL NEW" British built wheeled tractor, suitable for both British and world farming. The offer was placed just at the right time, since ...
