Questions Buddhists Questions In Re

In yesterday's post I provided a brief overview of Buddhism in an effort to show how it answers the three most important questions ("How did we get here?", "How did things get so messed up?" and "How do we fix it?"). While Buddhism provides answers for the three most important worldview questions, the Buddhist answers raise important questions in and of themselves.

We're setting ourselves up to experience unnecessary suffering by chasing after them. Material things can be nice to have for a time but the happiness and fulfillment we seek is not found in external sources. That was the answer I gave to the question what does Buddhism teach about good and evil. That's one concept I address in the book.
