The cultural studies reader / edited by Simon During ...

Cultural Studies were, at least at the beginning, openly associated with what is known as the Marxist "New Left". This meant that a special sensitivity to social injustice and inequality led Cultural Studies to view traditional social studies not as an answer to social problems, but rather as part of the problem itself.

Cultural Reader: An introduction to Cultural Studies

Simon During The first edition of The Cultural Studies Reader established itself as the leader in the field, providing the ideal introduction to this exciting and influential discipline. This expanded second edition offers a wider selection of essays covering every major cultural studies method and theory, and takes account of recent changes in ...
