Thunderbird 2 is the only Thunderbird with a completely-separate hangar - far from the other Thunderbirds - hidden behind a large door, disguised as a cliff-face, located at the end of Tracy Island's runway. While that runway would seem to be too narrow for a massive vehicle like TB2 to traverse, the palm trees that line either side of it will fall back to accommodate its wider wingspan, so it can reach its concealed hydraulic launch platform.

Tracy Island is the home of the Tracy family in the British 1960s Supermarionation television series Thunderbirds and its adaptations. Located in the South Pacific Ocean, the heavily-camouflaged island serves as the secret base of the International Rescue organisation. The island has had several releases as a children's toy, most notably in the early 1990s, 2000 and 2015. The first two models were commercially very successful, causing retailers to run out of stock. It was the 1993 British Associ
